What is a Conclave?

The Georgia Rotary Student Program (GRSP) allows students and Rotarians the opportunity to meet and learn about one another as they begin an exciting year. Some 74 students from 30 countries will attend Conclave 2007 on the weekend of August 24, 25, 26.

The Conclave presents a great opportunity to extend friendship to our GRSP students and enjoy a weekend of fellowship with other Rotarians. A mandatory meeting for all GRSP students for the 2007-2008 school year, Conclave allows students to meet fellow members of their class, be indoctrinated to GRSP, life in the United States, and understand what is expected of them during their stay.

Conclave Events

Conclave events are planned primarily at the Augusta Marriott Hotel and Suites and Augusta State University. The Marriott Hotel is located along the Augusta River Walk overlooking the Savannah River. The hotel offers luxury accommodations with convenient access to the River Walk and downtown antique shops.

The conclave begins with a Trustees meeting on Friday. Students will be asked to register around noon in the lobby of the hotel. Students will have an opportunity to meet the Rotary District Governors in the afternoon prior to meeting their host families for the weekend. Host families and fellow Rotarians are encouraged to join the students on Friday evening for a formal welcome and dinner at the Augusta State University Student Activities Center.

Saturday meetings will be held at the Marriott Hotel conference halls. Student meetings will cover a variety of topics such as local laws, customs and courtesies. Sessions will be available for host families as well to answer questions and review the role and expectations of host families. A lunch will be provided for the students. Students will spend the afternoon preparing and rehearsing their entertainment for the evening. Students, Host Families and Rotarians will gather Friday evening at the Marriott Hotel for a buffet banquet. After dinner, the show begins. The highlight of the evening is uplifting entertainment performed by the students in their traditional native dress.

Students assemble at the Marriott Hotel on Sunday morning at 9:00 am to catch their rides back home and begin their exciting year ahead.
