Old marker on bandstand needs to be restored. Motion made, seconded and approved.

Also suggest erecting benches around the flag stand.

Bill Jens unable to be here but reports the Christmas party went over well. Have received many comments and thank you cards. He wants something spectacular for our Spring Fling. Need ideas! Some suggestions: White Oak, Cabin Bluff, Mighty \* Museum

Honorary Membership is suppose to recognize outstanding public figures. Would like the club to consider Davis Love, his wife and brother as candidates.

The Spray cost \$1275 from June to November to <sup>u</sup>pblish. Would like the Board to consider doing the newsletter on the internet which would save the club a lot of money. It was suggested that we check into it and do a trial run.
