Club Communication:

The Board reviewed a submission by Janice Lamattina to “Increase Visibility & Awareness of our Scholarship Awards”. It was met with enthusiasm by the entire Board. However, President Tate suggested it be tabled until the next meeting as neither Janice nor Drew were there to answer questions directly. Pamela Hamilton expressed concern about subsequent delay of publication on recent winners.

The Scholarship Fund was discussed – advisor, committee, conflicts of interest, latest updates, etc.

Charitable Outreach:

TAPS – a replacement speaker, Vice Admiral Al Konetzni USN (Ret.), has been confirmed after the original speaker declined due to being “double booked”.

There will be sufficient funds in the Flag and Bricks accounts to cover expenses for TAPS without needing input from the club.

Susan is looking for volunteers to help set up and take down the event.. Chip Lewis suggested a golf cart to transport attendees with mobility issues.

Pamela Hamilton inquired re: liability coverage if injuries occur at the event – or due to a golf cart. Response was there is no Special Event Insurance and nothing specific to cover golf carts injuries.

RYLA

An email had been sent to board members previously on behalf of Leslie Mattingly giving details of RYLA and asking if board members would approve sponsoring a student or students for the program. This was received enthusiastically by members. Discussion ensued as to how many students to sponsor. Current cost is \$400 per student. Decision to sponsor 1 student now with possible 2nd later. Beverly Trainor suggested dedicating Happy Dollar funds to help finance.
