Last Week's Program (July 6, 2004)

Club Assembly

President Leslie Mattingly presented goals and plans for the coming year. Her goal is to make it easier to be in Rotary. The following is a summary of the challenges presented:

This year is Rotary's Centennial Year, and we will participate in a Community Centennial Project of which details will follow later. Mike Harris has agreed to chair this project.

We are the home club for our District Governor, John Parkins, and we need to be a model club. We will need to support Governor Parkins in large numbers at the seminars and conference. John foregoes the customary gift from the club and would like instead donations of wheelchairs for the METS (Medical Equipment Transportation) Project.

All clubs have been asked to recite the Four-Way Test, and we will do so at the beginning of each meeting.

In an effort to grow our membership, attract younger business members and support our working members, we will try a new meeting schedule on a trial basis. The lunch will begin at 12:15 p.m., the bell will ring at 12:30 p.m. and we will adjourn at 1:15 p.m. Meeting time: 12:30 p.m. Board meetings will be the first Monday of each month at 5:45 p.m. at Sea Palms.

Handouts were provided of the budget for the year ending June 30, 2005. The charitable obligations were highlighted. A community project could lessen the responsibility of each Rotarian. Expanding the Veteran's Walk is a project that may provide extra funding.

Dues will not increase until next year; however, current dues notices will include a voluntary contribution of \$25 to the Rotary Foundation.

"We're going to have more fun and build better friendships," hopes President Leslie.

Special Presentation—June 29

Correct information for the special presentation June 29:

Cal Paynter presented to President Clyde Taylor a check for \$2,500. This covered the entire expenses for the Taps at Twilight Program. Cal then presented to Martin Worthy a check for \$1,000, to benefit the St. Simons Library Automation Project. Both checks were made possible by the St. Simons Island Rotary Club's Flag Program.

The Four-Way Test

of the things we think, say or do

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and better **friendships**?
4. Will it be **beneficial** to all concerned?
