**Last Week's Program** (August 10, 2004)**Woody Woodside****Brunswick Golden Isles Chamber of Commerce**

David Williams introduced Woody Woodside, President of the Brunswick Golden Isles Chamber of Commerce, a position he has held for the past 18 years. Woody started his presentation by giving a brief history of the Chamber. The Brunswick Golden Isles Chamber was incorporated in 1954. The St. Simons Island Chamber merged and joined ranks in 1995.

Woody then launched into an informative list of projects with which the Chamber is involved. These included:

**G-8** – The business community did suffer some disruption during the event, but the impression is that the long-term impact will be very positive. And, the Chamber helped develop a model for security procedures, which is being used at both political conventions this year.

**Education** – Chamber activities involving education include the Golden Isles Bowl football game; the Performance Learning Center, a facility designed to help reduce the drop-out rate among at-risk 9-12 grade students; working to reduce the size of the school board and the televising of monthly school board meetings.

**Regional Transportation** – The Chamber has worked to accelerate completion of the widening of I-95, a major revamp of the Exit 42 ramps on I-95, lighting for the new Sidney Lanier Bridge and the Frederica Township development project.

Woody also spoke briefly about the Chamber's involvement with, and support of, such organizations as Blueprint Brunswick, the Port Authority, FLETC and the Airport Authority.

Woody then left the last five minutes of his allotted time for a series of interesting questions from the audience.

**Announcement from the President**

**Rotary Centennial Year Special License Plate** In honor of Rotary's Centennial Year, you may purchase a special license plate. It costs \$25—it's very good looking—has the Rotary Seal to the left of your tag number—and of course "Georgia" across the top. You need to get an application from Leslie, Pat Donahoo or Marie Dodd—just fill it out and send it in. Do it now, please, and you'll get your plate at the usual time next spring.

**Taps at Twilight Limited Edition Photograph** Mike Harris announced he was delivering seven of the photos today, including signed edition number 1, going to Clyde Taylor for presentation to Orson Swindle.

**New Member Brooke Pridmore** Jim Bruce welcomed Bruce Pridmore, a native of Greenwood, SC. Bruce holds a PhD from Georgia State University and is a retired Professor of Physics from Clayton College and State University.

**The Cart Fund** Our club contributed \$1,920.13 to the Coins for Alzheimer's Research Trust (CART) for the Rotary year 2003-2004.
