Community Image Awards

Chuck Cansler presented the awards, which recognize outstanding achievement of individuals and organizations in their contributions to our community.

The organizational award went to the **Golden Isles Career Academy and its sponsor, County Commissioner Tony Thaw**. The award cited Commissioner Thaw for being instrumental in starting the technical high school, which will allow students to explore numerous fields, learn a trade skill and obtain an associate degree.

The commissioner noted that ground for the new school was being broken shortly after his appearance before our club. He accepted the award on behalf of all those who helped the school become a reality.

The individual award went to **Pat Morris, executive director of the St. Simons Island Lighthouse Museum**.

In addition to overseeing the Lighthouse Museum and the Maritime Museum at the Historic Coast Guard Station, she will oversee opening of the new Outdoor Classroom at the Coast Guard Station this June and the new A. W. Jones Heritage Center in early 2008.

From the President

- The board of directors meeting on June 5 will be a joint session of the present and incoming boards.
