Interact Club

Wally Forsythe and Linda Muir presented a program on the effort to establish an Interact club in our area.

Other club members on the exploratory committee that is working to determine the feasibility of establishing the club are Millard Allen, Cathey Petkash, and Mike Muldowney. Mary Beth Wester is an advisor and Fort Frederica would be one of our community service projects.

Efforts to establish the project in two public schools in Glynn County have been approved by school officials. It would be the first Interact club in our district.

Interact is a service club for young people ages 14-18. Sponsored by local Rotary clubs, Interact clubs give young people an opportunity to participate in fun, meaningful service projects while developing leadership skills and meeting new friends. Interact stands for "international action."

Sponsoring Rotary clubs provide support and guidance, but Interact clubs are self-governing and self-supporting. Today there are more than 11,400 clubs in more than 125 countries with an estimated membership of 250,000 youth worldwide.

The Darts

Michael and Vanessa Dart gave club members a well received program of gospel music.

Michael grew up singing with his siblings, who locally, became known as The Dart Singers. He also spent quite a few years singing with a well-known gospel group, The Friendly Stars.

Vanessa, too, was born with a natural talent. She grew up touring the nation with the Georgia Sea Island Singers.

The two met more than 30 years ago, fell in love, and married. They have raised a family together, started their own business (Dart's Cleaning Service) and begun a ministry to help the needy (The Sheepfold Ministry).
