

## Online Payment of Dues

President Brooke announced this at the July 28 meeting. To pay dues online, open our web site at [www.ssirotary.org](http://www.ssirotary.org) and click on the **Online Dues Payment** link at the top-right of the opening page. This completes the steps necessary to take you to the proper page to pay your dues.

The following is some additional information about the program. You may now pay quarterly dues online using one of the following:

- PayPal
- American Express
- Discover
- MasterCard
- Visa

For any of these credit cards, you have the option of including a \$25 contribution to the Rotary Foundation, resulting in a charge of \$195 for the quarter or excluding the contribution for \$170/quarter. Optional provisions are included for the \$15 annual Club Directory fee. We believe you will find this process user friendly and consistent with other online payment methods.
