## *Christmas Luncheon*

Club Member Marie Dodd presided over a festive Christmas luncheon that featured a performance by music teacher and pianist Christopher Smith.

The pianist, who has played at the White House and Carnegie Hall, played seasonal music.

Marie noted that – given current economic conditions – she did not ask local merchants to donate door prizes this year. Instead, she wrote a letter to the businesses thanking them for support of past Christmas luncheons. The response to that letter, she said, “has been great.”

Nevertheless, guests received gifts from the club, which were passed out by President Brooke, his wife Becky, District Governor Clyde Taylor and his wife Sue.

President Brooke presented Sea Palms staff members a check for \$470 that was contributed by Club members.

## **Club Update**

### *From President Brooke*

At the halfway point in our Rotary year, let us take stock of our progress. Membership has increased from 119 to 121 regular members and from 5 to 6 honorary members. It is our goal to increase to 125 regular members before the end of June. Don Myers, David Medford and Paul Pieschel are spearheading our membership drive. Please contact them with leads.

We have made much progress in updating our financial records and have retained the services of our own Lisa Anderson to provide the board of directors with financial updates. Questions regarding your statements should continue to be directed to Chad Dixon, our treasurer. My special thanks go to Jim Bruce and Stan Humphries for their service on the treasurer task force.

We are striving to have our club’s good works recognized in the local media. If you have any suggestions, please feel free to contact me.
