Community Image Award—St. Simons Island Land Trust

Chuck Cansler accepted the award on the Land Trust's behalf. He shared that the Land Trust, among other ventures, secured conservation easements on 26 properties, is in the process of acquiring the Cannon Point property which consists of 600 acres, and has plans to complete the trail system from Harris Teeter to the bridge. Their success is directly linked to the 1,200 households who contribute funds in addition to the business partnerships. You can contribute as a Live Oak Member for \$1,000.

Classification Talk—Paul Pieschel

Wow! What an interesting mix of life experiences. From Catholic priest and a vow of poverty, chastity and obedience to being married and working in the private business sector. From Ludlow, Kentucky to St. Simons Island, Georgia, Paul Pieschel has led an interesting life. He shared with us the "take away" point from each experience. He and his wife are looking forward to the future and continuing his adventure of learning.

Classification Talk—Glen Clark

Glen Clark was born and raised in Iowa. He married his bride 3 days before leaving for basic training and has been married for 45 years. He was sent to Korea where he spent time teaching. Glen attended the Utah law school and stated that he is not Mormon. After completing law school, he went into practice in the private sector representing corporations and banks. He was appointed by the Circuit Court of Appeals to serve as a bankruptcy judge and served for 27 years. He is proud to be a member of the Muscogee Nation of Oklahoma.
