President Brooke gave his outgoing report. He thanked the officers and board of directors for their counsel, participation and support.

The year's accomplishments were highlighted. Sixteen regular and one honorary member were added this year. We obtained a \$5,000 District Simplified Grant for the Marine Life Science Laboratory at St. Simons Elementary School. Contributions of \$15,686 were made to the Rotary Foundation, which ranked us 4th in the district. There were 21 new Paul Harris Fellows this year. Seven of these added at least one additional recognition level to their giving. The Taps at Twilight program was outstanding. Our weekly programs continue to make us the envy of clubs around the region. Our Community Image Awards and Bruce/Tharp Scholarship Awards reflect our commitment to our area. Our budget was the smallest in several years and we finished the year with a surplus!

The District Conference on Jekyll Island was a huge success. Our club received the Governor's Award of Excellence for meeting the criteria of service and membership. We also had the highest percentage of participation at the conference in the large club category. Receiving the Rotary International Presidential Citation showed our commitment to Service Above Self.

Pat Donahoo installed the new officers.

Newly installed **President Wally** will have "Integrity" as his goal for our Rotary Club for the coming year. He gave its definition as meaning honest, of good character, the state of being complete and undivided and the quality of being sound and unimpaired.

He presented President Brooke with his Past President's pin and a plaque honoring him for his service this past year.

Millard Allen presented a special resolution from the Georgia State Senate to **Frank Sidella** for his devotion to his country and the military.
