The Four-Way Test of the things we think, say or do

- 1. Is it the *truth*?**
- 2. Is it *fair* to all concerned?**
- 3. Will it build *goodwill* and better *friendships*?**
- 4. Will it be *beneficial* to all concerned?**

Classification Talks

Craig Boland started his career as an architect and ended up teaching physics and algebra. Craig's belief is that good teachers are sales people and they have to meet the students on their level. He shared many interesting stories.

Ben Lee is a 33 year Rotarian. He is a CPA and recently opened his own office here locally. He gave an interesting description of his 33 years in Rotary. His plan is to rotate among all of the various tables to get to know members.

District 6920 News**E-mail Scam Targeting Rotarians**

Rotary International continues to receive notice of e-mail phishing scams targeting Rotarians. One such scam claims that the recipient has been selected in a raffle for a prize and the recipient's contact information is needed. Another scam still circulating claims that a deceased Rotarian has left money to the e-mail recipient to be donated to philanthropic efforts. The sender, who claims to be the executor of the will, then asks for the recipient's personal information, including a copy of the individual's passport and driver's license, in order to claim the inheritance. *Please note that RI does not solicit funds through e-mail, nor does it ask that personal information be updated by e-mail or other electronic means.* RI encourages Rotarians to avoid becoming victims of these scams by deleting any e-mail that appears suspicious.

News from Rotary International**Canadian Rotarians Leading the Charge Against Malaria**

Canadian Rotarians have been at the forefront of efforts to prevent malaria deaths in Africa.

Rotary clubs have partnered with the Buy-A-Net Malaria Prevention Group, a Canadian charitable organization founded in 2004 to combat the disease in Uganda, one village at a time.

The Rotary clubs of Cataraqui-Kingston, Ontario, and Kololo-Kampala, Uganda, teamed up with Buy-A-Net last year on a US\$47,000 malaria prevention project in Kampala. Rotarians contributed club donations and District Designated Fund allocations, and Buy-A-Net

served as the implementing partner. **For the rest of the story visit www.rotary.org.**
