#### **The Four-Way Test of the things we think, say or do**

- 1. Is it the *truth*?**
- 2. Is it *fair* to all concerned?**
- 3. Will it build *goodwill* and better *friendships*?**
- 4. Will it be *beneficial* to all concerned?**

He has also performed for several musical operas to include The Sound of Music; Oklahoma; Guys and Dolls; Bye, Bye Birdie; Gianni Schicchi; Die Fledermaus; and La Boheme.

### **Program—October 5, 2010**

#### **William Rawlings, Jr., MD, MSH, FACP**

#### **How Electronic Readers are Changing Publishing**

The way we acquire information in today's world has changed. We obtain information in bits and pieces as needed. Electronic readers such as Nook, Kendal and iPad helped significantly change the landscape of reading. Barnes & Noble was the first bookstore to introduce the electronic reader known as the Nook. The technology was ahead of its time and it wasn't popular. Amazon reintroduced the idea of the electronic reader with the Kindle three years ago. The industry exploded with more people reading including men. The iPad was the third reader introduced and is the most popular. According to William once you have tried it, you won't go back.

#### **Area Rotary Clubs**

<b>Club</b>	<b>Venue</b>	<b>Day &amp; Time</b>
Brunswick	Brunswick Country Club	Thu. 12:45 PM
Glynn County	Brunswick Hospital	Wed. 7:30 AM

## From Rotary International

**Saving Face**, by Angelo Capozzi as told to Stephen Yafa

### *The Rotarian* – October 2010

As medical director and cofounder of Rotaplast, I consider myself a fortunate man. When you're repairing a child's cleft lip and palate and you put the last stitch in, you get to stand back and look at the results and say, "Wow, I made a difference for that kid." I'll tell you, there's no reward like that. Partnering with Rotary clubs over the last 17 years, we've performed well over 13,000 cleft lip and palate operations on children around the world. It's the Rotary connection that gives us our name. I joined the Rotary Club of San Francisco in 1971, after I set up my private practice as a plastic surgeon. For the first few years, I wasn't really a Rotarian; I was a guy who came to lunch. I donated money, I took part in activities, but I wasn't completely living The Four-Way Test. Then came a seminal moment. Don Laub, former chief of plastic surgery at the Stanford University School of Medicine, had started Interplast, doing free reconstructive surgeries in developing regions, and asked me to join his team as a medical volunteer.

...See Rotary International News for the remainder of this story.

**Paul Harris Awards (L-R)** - Tom Parker, Jim Bruce, Pat Donahoo, Ann Nermoe, Bud Dorsey, John Law, Will Becker, Bill Halderson and Frank Sidella.
