The Four-Way Test
of the things we think, say or do

- 1. Is it the *truth*?**
- 2. Is it *fair* to all concerned?**
- 3. Will it build *goodwill* and better *friendships*?**
- 4. Will it be *beneficial* to all concerned?**

Sara Dodd, SSI Elementary Science Teacher
An Update on SSI Rotary Funds Contributed to the Saint Simons Elementary School.

Program—October 26, 2010

George Herrin, PhD
Georgia Bureau of Investigation, Director, State Crime Laboratory, Atlanta

George Herrin, PhD, the Deputy Director of the Georgia Bureau of Investigation-Division of Forensic Sciences, spoke to us today about the challenges related to providing accurate and timely information to law enforcement officials for the purpose of solving crimes. If you enjoy shows such as CSI, keep in mind they are only fictional. Crimes are not solved in a day and information is not processed within hours. It takes 45-90 days to process information and provide reports. It is important to provide reports at the time they are actually needed by the DA or other officials.

**Rotary International News****Indian Rotarians Support Tribal School****Susie O. Ma, The Rotarian, November 2010**

India has more than 200 district groups of indigenous, or tribal, people, who often live in extreme poverty and face prejudice and discrimination. The Kavi Jagannath Jadhav Guruji Ashram Shaala, a School for tribal children, is supported by the Rotary Club of Thane North. Students ages 6-15, who might not otherwise receive any education, live and eat at the school, and classrooms double as dorm rooms. The Rotarians have made several improvements, such as installing a water purification system and providing a library, a science laboratory, and play equipment. The club also has donated funds to buy uniforms and blankets. "In North America, you register for school and send your kids, and everyone takes it for granted. In India, for aboriginals, you don't take anything for granted."

Upcoming Programs

November 9—(Board Meeting). Cot Campbell, President, Dogwood Stables (Thoroughbred Racing).

November 16—Classification Talks.

November 23—No meeting, Thanksgiving Week.

District 6920 Rotary Information**METS Update**

By Linda Herdina, METS Director

Ulaan Bataar Rotarians recently received a METS container and began unloading and distributing the supplies. The Ulaan Bataar Rotarians write, "Thank goodness the container came and we were able to make people happy. I thought you would like to see what happened to the one wheel chair we gave yesterday." In another note, one Rotarian wrote, "Thank you, thank you, thank you for wheel. He living with his daughter. He's name is Ganba and his daughter Otgo. They very happy now. When I give him wheel they cry and me too. Thank you." It is stories like this one that continues to keep the METS program thriving. If you or an associate has access to unused medical equipment and supplies that could be donated to METS, please contact Linda Herdina, Director of Medical Equipment Transport Service, at (912) 856-0548 or via email at lherdina@bellsouth.net.
