#### **Cot Campbell, President, Dogwood Stable**

Two national champions, a Preakness winner, several second- and third-place Kentucky Derby winners, and 74 stake winners in all mark the immediate highlights of Dogwood Stable—the original racing partnership. Dogwood Stable President W. Cothran "Cot" Campbell formulated the idea of partnerships in 1969 and has

never looked back. The concept of group ownership of Thoroughbreds appealed to Cot Campbell because it allowed people the opportunity to participate in the racing world at a reasonable cost. This simple idea became a success beyond his wildest dreams. Cot opened the presentation with, "My life depends on four-legged animals to get from Point A to Point B before other four-legged animals." And then he proceeded to charm the audience with a string of stories that showed his life as an owner of thoroughbreds was a lot more exciting than that. Campbell sold his Atlanta ad agency in the early '70s to open Dogwood Stable in Greenville, Ga., moving it to Aiken, S.C., in 1986. Pictured above is the Dogwood Stable Office in Aiken. #### Catching Life at the Crossroads

By Dan Nixon

Rotary International News – 11/4/10

Michel Huneault finds photography a perfect fit with his work in development and peace-building. During the past 10 years, the former Rotary Peace Fellow (UC Berkeley 2002-04) has served with the Canadian International Development Agency in Afghanistan and as an independent observer on electoral monitoring missions in Bangladesh, Bolivia, Haiti, Ukraine, and the West Bank.

Huneault has worked as a photographer on behalf of magazines, development organizations, and art institutions and received several photography awards in Canada, France, and Germany. In 2010, he became an artist in residence at the Aberystwyth Arts Centre in Wales, with the support of a Quebec Arts Council grant, to produce his first solo exhibition, due to open in March.

Huneault donated three of his works for a silent auction at the RIBI (Rotary International in Great Britain & Ireland) Conference in April as part of a fundraiser to permanently endow a Rotary Peace Fellowship in the name of Past RI President Bill Huntley.

The peace fellowships have created "a very strong and ever fresh community of peacemakers," Huneault says. "This network has allowed me to have a greater impact and achieve more professionally. It has contributed as well to my emotional stamina in what can be a very tough career psychologically. I have a network of colleagues that share the burden and can understand personal sacrifices it requires."
