## Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### First

The development of acquaintance as an opportunity for service;

### Second

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

### Third

The application of the ideal of service in each Rotarian's personal, business, and community life;

### Fourth

The advancement of international understanding, goodwill, and peace through a world of business and professional persons united in the ideal of service

## The Four-Way Test of the things we think, say or do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

**Our Club In Transition**

***A New Board Takes Charge—The Former Board Is Honored***

Once a year, our club, and every Rotary Club on the planet, including the Rotary International Board of Directors, installs and welcomes new officers. It's a day to present new leadership and to congratulate those who have worked hard and given so much during the past 365 days.

Ours is a large, very busy, and committed Rotary. Now with 124 members, down from 137 members last year, (*mostly due to natural attrition.*) our club is over three times the size of the average Rotary club group of just 37 members. When President John Matthews stood at the podium for the last time to thank and congratulate all the members who have made us a Gold Award winning Rotary once again this year, we are reminded of how much good we do in the community, the nation, and around the globe.

District #6920 Governor Bob Griggers with wife, Brenda, were special guests this week. Griggers also reminded us of our greatness. In addition to awarding our club another Gold Award, special recognition was given to fellow Rotarian Lee Scheinman, who was honored as a Major Donor – Level 3 in Individual Recognition of the Rotary Bequest Society. Lee once again distinguishes herself for her generosity to Rotary and countless Rotary initiatives.

After thanking wife, Nancy, (*the great lady behind the man*) for her support, President John then acknowledged all of the initiatives that SSI Rotary volunteers have devoted themselves to this year...and...it's a whole bunch...we gave scholarships, bestowed grants, helped young children learn to read, rang the bell for Salvation Army, supported our local elementary schools, middle school, high schools and College, taught kids to play golf while supporting Boys & Girls Club, held 'Meet the Pros' for children's charities, enhanced classrooms, and reading rooms, and gardens, gave recognition and cash awards to our best high school orators, welcomed international Rotarians and foreign students, sold American flags and memorial bricks at Veteran's Walk, played Taps at Twilight, raised money—lots of money (\$26,725+) and gave money, and spent money on the less fortunate, donated food, built wells, donated tricycles to invalids and sewing machines to the unemployable in India, helped eradicate polio, stamp out illiteracy, filled CART buckets to find a cure for Alzheimer's, sold raffle tickets to raise more money, and provided countless acts of human kindness and generosity, and still...we have not recognized it all nor given proper credit and thanks to all of the SSI Rotarians who have given so much to so many this year.

**A big thank you to a really terrific Rotary Club and membership. We've got a lot to be proud about! And thank you again, President John.**
