Re: Rotary Significant Achievement Award Application

Dear Jerry,

Please accept my most heartfelt expression of appreciation and admiration for you and your committee. Your efforts have resulted in a wonderfully successful "Veterans Walk" project for St. Simons Rotary Club. Congratulations and keep up the good work!

As you know, we believe this project is worthy of the Significant Achievement Award and therefore we want to submit the details to Rotary International (RI). I have been in touch with the office of RI in the past couple of months about this program and they have advised me that I should not submit this form before the month of February. They were not yet prepared to process these form when I first called. But now is the time!

In keeping with your offer of assistance, please find a blank Application Form for the 2001-2002 Significant Achievement Award. This form must be completed by our club and forwarded to Rotary International prior to March 1, 2002. This gives us the first two weeks of February to make sure we have a comprehensive application completed so we can circulate it through the channels and get it into the hands of Rotary International. I feel confident that our Veterans Walk project will compare favorably in the final judging.

Please supply all the information you have and return this "roughed in" form to me at your earliest convenience. I will assemble the application into neat order and make sure it gets to Rotary International several days in advance of the deadline.

Yours for living a life of Service Above Self,

Bill Walker, Community Service Chairman
